

Any software that is not covered under the RIT Academic Site Licensing (http://www.rit.edu/its/services/software_licensing/) can be purchased utilizing an intercampus charge form with your corresponding department account number from RIT Campus Connections.

Please contact Bob Laros (585) 475-5380 for purchasing and further information.
Note -- Specify that the software is intended to be used internally by RIT and is not for home use. This will ensure proper academic pricing. Once purchased, contact the FAST Help Desk 475-FAST to have our staff install it on your machine.
